

FIELD SCHOOL of CHARLOTTESVILLE

Dear Parents and Prospective Students,

We are pleased that you have decided to apply for admission to Field School. We are taking applications for the 2017-18 School Year .

In order to apply, please complete the following tasks:

- Fill out and mail the attached application with a \$50 non-refundable application fee (make checks payable to Field School).
- Please call Tracy Kunkel at (434) 923-3435 to schedule a full day visit for your son. Field School is located at the Old Crozet School Building, 1408 Crozet Avenue, across from Crozet Elementary School. Directions can be found online at www.fieldschoolcv.net.
- Our initial application deadline is Friday, January 20th, 2017. **Admission decisions are made beginning in February, and applications are considered as long as space is available.**
- Turn in the attached Transcript Request Form to your son's present school office, to be sent directly to Field School.
- Turn in the Teacher Recommendation Form to your son's homeroom teacher for the current 2016-2017 school year to be sent to the Field School.
- Additional recommendations are welcome from other teachers if parents wish to copy the form.
- Tuition for 2017-2018 is \$16,400. **Please note that this is an all-inclusive tuition (including all fees, such as daily lunch, school books, field trip costs, shuttle bus fees, athletic registration fees and athletic uniforms.)** Parents will be expected to provide school supplies (pens, pencils, notebooks, paper), dress code clothes, musical instruments and most personal sports equipment.
- Applications for financial aid are made through School and Student Services (SSS), through the National Association of Independent Schools based in Washington, DC. Please go online to sss.nais.org or phone (800) 344-8328 to apply. (Field School's application code is 4731.) The deadline for financial aid applications is March 1st, funds will be allocated on a first come—first serve basis, applications received after March 1st will be considered but risk limited aid availability. Families must reapply for aid each year as needed. Field School awards financial aid based solely on demonstrated financial need. The primary responsibility for financing a student's independent school experience belongs to the family and we expect you to consider outside sources, including extended family, to meet tuition obligations before applying for financial aid. An independent school education is one of many choices a family may make. We hope that any student who is qualified to attend and who would benefit from Field School will be able to attend, but our financial aid resources are limited. Please be honest with yourself and with us as you decide to apply for aid. Any decision on financial aid awards will be made after admission has been offered.

Regular application decisions will be made in February, at which time we will send out letters to all applicants. If you have any questions, please call us or contact us through email. We look forward to reading your application and to meeting you.

Sincerely

Todd Barnett
